## Hair Stylist – AR, Rogers

### Description

Are you a happy stylist or barber who loves working with children and families? Are you searching for a position that is fun and rewarding? If so, look no further than *Pigtails & Crewcuts – Haircuts for Kids*. We are a children's concept with a solid reputation for providing excellent service for the families that visit our salons. Our company mission is to provide haircutting services and haircare products that create a fun and memorable experience for children and parents alike.

### Responsibilities

You hold and maintain a current Cosmetology/Barber license

You are capable of multitasking and supporting team members throughout the day

You love to work with kids and families in a fast-paced environment

You are comfortable and have patience in dealing with active young children

You are passionate in delivering the Pigtails & Crewcuts experience

You are a professional, warm, caring, honest, and a positive thinker

### Job Benefits

We offer a fun, exciting environment where no two days are alike

We give you the respect and support of a local, family-owned salon investing in its own community

We support a team-oriented atmosphere that encourages you to be your best

We offer great hours, no more working late nights as Pigtails & Crewcuts caters to kids

We offer an immediate family friendly customer base

We offer a guaranteed base wage, plus rewarding tips

Added benefits may be included and will vary by salon
