Salon Manager (Stylist): CO, Westminster

Description

Are you looking to grow professionally? We are searching for a talented and sharp individual to lead the team at our children's salon. Our company mission is to provide haircutting services and haircare products that create a fun and memorable experience for children and parents alike. If you can create a fun and safe environment, please read more.

Responsibilities

- You hold and maintain a current Cosmetology/Barber license
- You are capable of leading the salon team in providing excellent services and maximizing salon volume
- You can manage day-to-day operations of the salon including opening and closing procedures, staff behavior, safety, customer appointments, and customer feedback
- You can schedule receptionists and hairstylists to ensure adequate coverage for the customers and for the salon
- You can manage recruiting efforts that meet mandatory licensing and Pigtails & Crewcuts requirements
- You are capable of monitoring salon supplies, retail, and equipment including ordering new stock as needed
- You would ensure that the salon is clean, well-maintained, and ready to pass the Pigtails & Crewcuts quality assurance program
- You are passionate in delivering the Pigtails & Crewcuts experience
- You are a professional, warm, caring, honest, and a positive thinker

Job Benefits

- We offer a fun, exciting environment where no two days are alike
- We give you the respect and support of a local, family-owned salon investing in its own community
- We support a team-oriented atmosphere that encourages you to be your best
- We offer great hours, no more working late nights as Pigtails & Crewcuts caters to kids
- We offer an immediate family friendly customer base
- We offer a guaranteed base wage, plus rewarding tips
- Added benefits may be included and will vary by salon
